TO WHOMSOEVER IT MAY CONCERN

We are glad to express that JTC team has provided appreciable support for completion of site working during installation of TT precast beam (116nos) **Mutla Project N10** (Primary School for Boys & Girls)

Team was very efficient and very co-operative to work with. In addition, their commitment to safety and schedule was satisfactory.

We would like to appreciate all sincere efforts and hard work put in by JTC team to complete the entire site work. This shows complete team work from JTC team.

The assigned job is successfully completed as per project requirement.

We look forward your kind co-operation all time in future projects.

Thanking you,

Yours truly,

For (RECAFCO S.A.K)
